

# CONISBROUGH IVANHOE PRIMARY ACADEMY

## POLICY FOR SUBSTANCE MISUSE 2018

Author	Karen Wild
Date Ratified	January 2018
Review Date	December 2019

The aim of this policy is to acknowledge and clarify the school's role in drug prevention and education and ensure it is appropriate to pupils' needs. The policy provides information and guidance about drug education, as well as procedures to respond to any drug-related incident, for pupils, teachers, support-staff and outside agencies or individuals.

The policy aims to ensure that the approach taken on the issue of drugs is a whole-school one and is part of our commitment to and concern for the health and well-being of the whole school community. Teachers will need to be confident and skilled to teach drug education and pupils need to receive up to date, relevant and accurate information as well as support.

This policy aims to make clear procedures for responding to and managing drug-related incidents. Sanctions for incidents will be consistent with the school's behaviour policy. This policy should also be read in conjunction with the PSHE policy, Medicines policy, Health and Safety policy, SEN and Behaviour policy. As a matter of course, all staff, parents/carers and pupils will be reminded of this policy on an annual basis. This policy applies at all times to the school premises, school transport as well as school visits/trips/fieldwork/ residential visits etc.

**Definition:** "Drugs" are taken here to mean those that are legal, such as alcohol, tobacco and solvents, over the counter and prescribed drugs, and illegal drugs such as cannabis, ecstasy, amphetamines, heroin, crack/cocaine, LSD, Novel Psychoactive Substances (NPS) and any other substances covered by the 1971 misuse of drugs act; psychoactive substances act 2016, or that is subject to a temporary class drug (TCDO). The school prohibits all substances having psychoactive effects on the brain: depressants, stimulants, cannabinoids, and hallucinogens.

The school believes that the possession and or use of such drugs in school, during the school day or while travelling to/from school is inappropriate. The drugs/substances covered by this policy are not to be bought, sold or otherwise exchanged or brought onto school premises during the school day, or while pupils are on school visits. Individual exceptions may be made for pupils who require prescription medicines where appropriate.

**Drug Education:** The school provides a planned drug education curriculum through the following:

- (i) The National Curriculum science order outlines the content of the *statutory* drugs education: Year 6 pupils should be taught that abuse of alcohol, solvents, tobacco and other drugs affects health; that the body's natural defenses may be enhanced by immunisation and medicines; and how smoking affects lung structure and gas exchange
- (ii) Other discretionary topics will be delivered through Conisbrough Ivanhoe Primary Academy's PSHE programme (Jigsaw). This teaches children about appropriate and inappropriate behaviours at age appropriate levels. PSHE and Citizenship and will reflect knowledge, understanding, attitudes and social skills that will:
  - Enable pupils to make healthy, informed choices
  - Promote positive attitudes to healthy lifestyles
  - Provide accurate information about substances
  - Increase understanding about the implications and possible consequences of use and misuse
  - Widen understanding about related health and social issues
  - Enable young people to identify sources of appropriate advice and personal support

The content of the Drug Education Programme will be based on Appendix 2 of ***Drugs: guidance for schools.***

On the whole, it will be teachers who will teach drug education but, where appropriate, outside visitors may make a contribution. Such visitors should be used in a planned way and be their contributions evaluated.

Teachers will have access to on-going advice, support and training as part of their own

professional development. The school actively cooperates with agencies such as the LEA, police, health and drug agencies.

**Statutory duty of the school:** The head teacher takes overall responsibility for the policy and its implementation, for liaison with the governing body, parents, LA and appropriate outside agencies. The head teacher will ensure that all staff dealing with substance issues are adequately supported and trained.

A school cannot knowingly allow its premises to be used for the production or supply of any controlled drug (e.g. the preparation of, or smoking of cannabis). Where it is suspected that substances are being sold on the premises, details regarding those involved, as well as much information as possible, will be passed to the police.

**Implementation of the policy: In incidents involving substance misuse or supply on the premises/during the school day, and following discussion with the pupil (or parent) and staff, action will proceed as follows.** It should be noted here that, when dealing with drug-related incidents, the school has adopted the procedures as laid out in Department for Education guidelines and that all staff, parents/carers and pupils will be reminded of these procedures on an annual basis.

- Any medical emergencies will be dealt with as per Appendix A
- In cases of substance use/misuse or supply on the premises, during the school day or during school visits etc, the case will be discussed with the person and a written record taken (see Appendix C); in the case of pupil involvement, parents/carers will be informed by the head teacher as soon as possible. The support of outside agencies will be sought if appropriate
- If a young person admits to using or supplying substances off the premises, the appropriate action will be to inform the substance coordinator who will inform the head teacher, who will inform the parents/carers
- Whilst there is no legal obligation to inform the police, they may also be involved at the discretion of the head teacher in consultation with governors and staff who know the young person well.
- The school will consider each incident individually and will employ a range of responses to deal with each incident. Specific cases will be managed as per Appendix B: all staff, pupils, parents/carers will be informed of these issues.
- If a parent is found using or supplying substances on the school premises, the police will be called.
- The governing body will be involved in drug-related incidents as they are concerning other matters relating to the school.
- The head teacher will take responsibility for liaison with the media, where required. Additional support and advice is available from the Department for Education.

All staff, parents/carers and young people will be reminded of this policy, and its procedures, on a regular basis.

APPENDIX A : Drug situation – medical emergencies

APPENDIX B : Situations involving drugs without medical authority

APPENDIX C : Record of drug-related situation (a specimen record sheet)

## Appendix A : Drug situations – medical emergencies

The procedures for an emergency apply when a person is at immediate risk of harm. A person who is unconscious, having trouble breathing, seriously confused or disorientated or who has taken harmful toxic substance, should be responded to as an emergency.

**The main responsibility is for the pupil at immediate risk, but you also need to ensure the well-being and safety of others. Put into practice your school's first-aid procedures. *If in any doubt, call medical help.***

### **Always:**

- Assess the situation
- If a medical emergency, send for medical help and ambulance

### **Before assistance arrives**

*If the person is conscious:*

- Ask them what has happened and to identify any drug used
- Collect any drug sample and vomit for medical analysis
- **Do not** induce vomiting
- **Do not** chase or over-excite them if intoxicated from inhaling a volatile substance
- keep them under observation, warm and quiet

*If the person is unconscious:*

- Ensure that they can breathe and place in the recovery position
- **Do not** move them if a fall is likely to have led to spinal or other serious injury which may not be obvious
- **Do not** give them anything by mouth
- **Do not** attempt to make them sit or stand
- **Do not** leave them unattended or in charge of another pupil
- Notify parents/carers

*For needle stick(sharps) injuries:*

- Encourage wound to bleed. **Do not** suck. Wash with soap and water. Dry and apply waterproof dressing
- If used/dirty needle seek advice from a doctor

### **When medical help arrives**

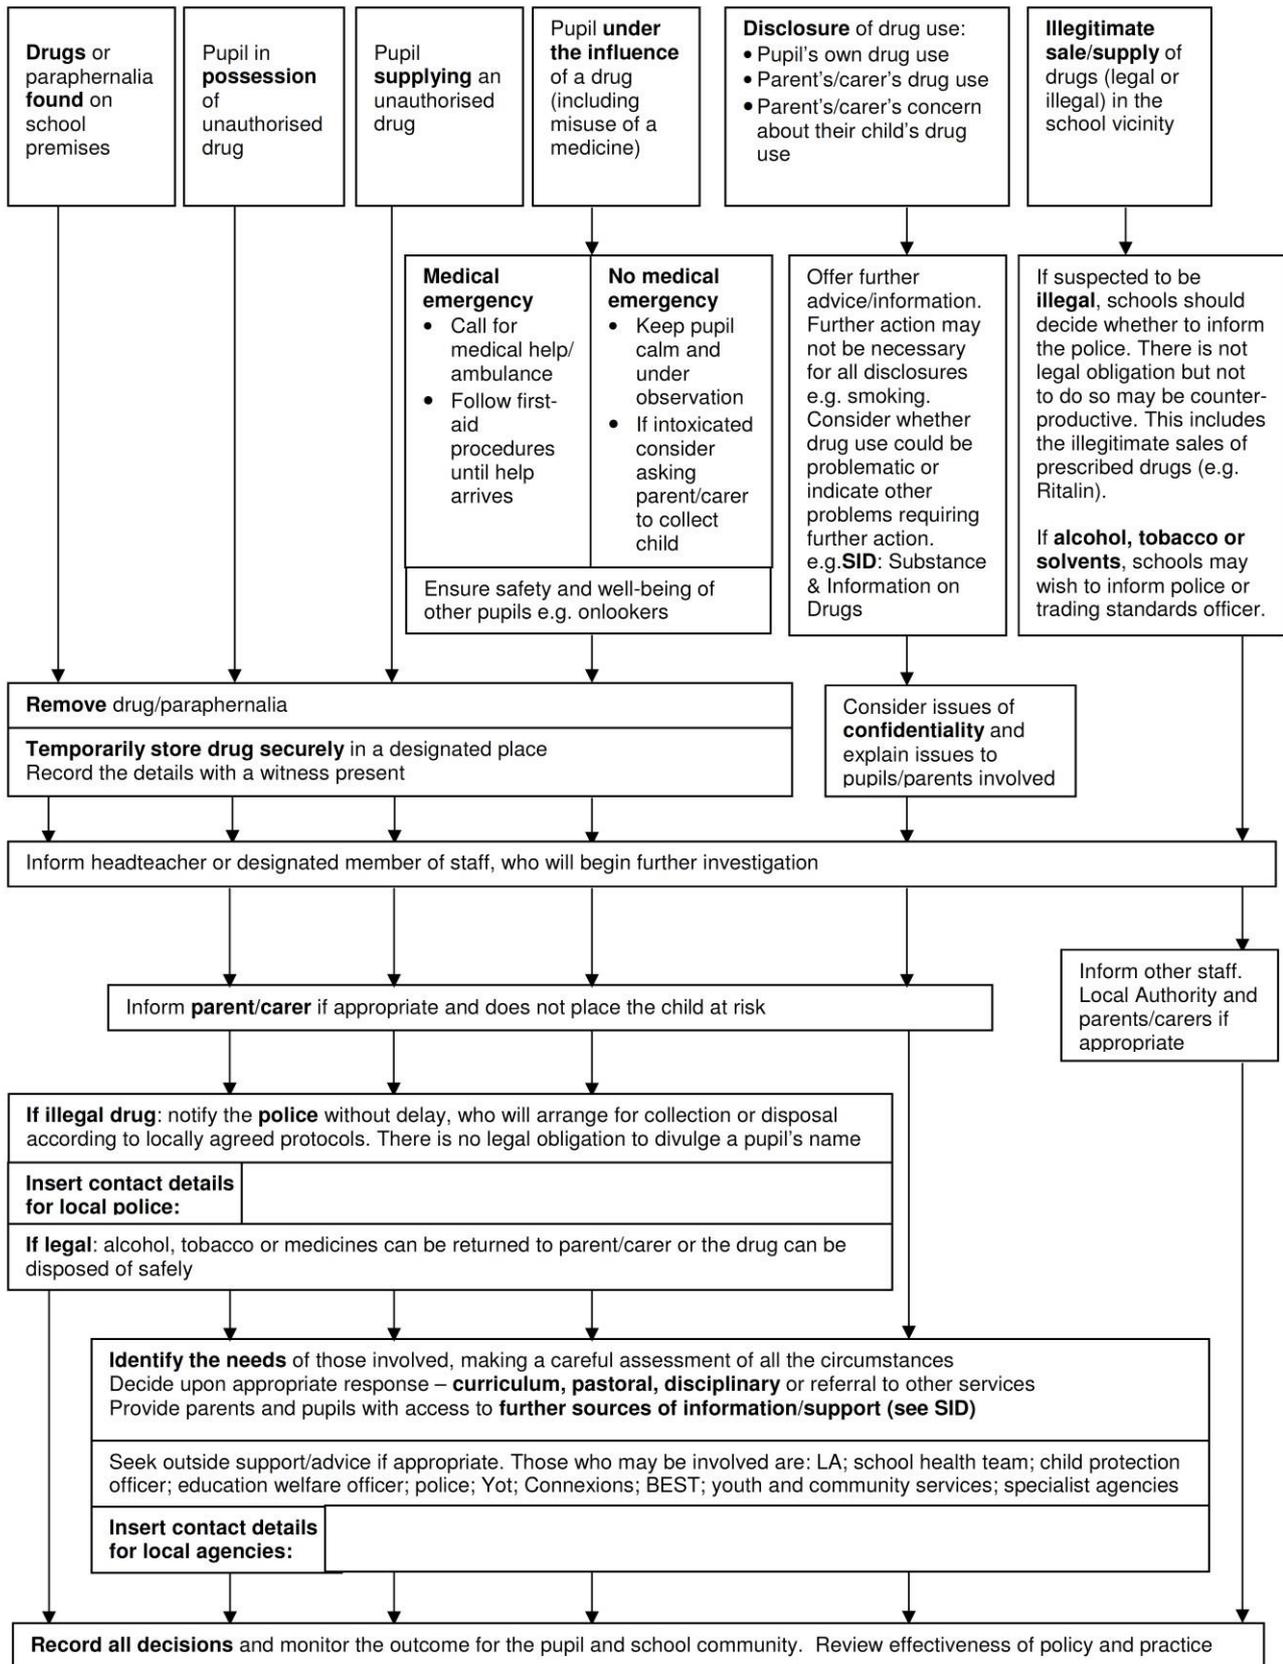

- Pass on any information available, including vomit and any drug samples

Complete a medical record form as soon as you have dealt with the emergency.

**This form is based on advice from the Department for Education.**

**“Drugs” refers to all drugs including medicines (prescription and “over the counter”), volatile substances, alcohol, tobacco, Novel Psychoactives and illegal drugs**

## APPENDIX B: Responding to incidents involving drugs

**If a parent is found using or supplying substances on the school premises, the police will be called immediately.**

# Appendix C: Record of incident involving unauthorised drug

- 1 For help and advice, telephone the LA
- 2 Complete this form WITHOUT identifying the pupil involved
- 3 Copy the form
- 4 Send the copy within 24 hours of the incident to the LA
- 5 KEEP the original, adding the pupil's name and form – store securely
